

THE FINE PRINT

annoying but necessary!

Payment for Summer Camps
is due at registration.

Registration must be received **NO LATER** than two weeks before each camp. This will ensure that we have enough materials for each participant.

If registering by mail we will call to confirm receipt of your registration.

Refunds will *not* be issued, however, the camper may receive in-store credit in the amount of the camp as long as someone calls us to let us know the child will not attend. No shows will not be credited. Please let us know as early as possible... our camps tend to fill quickly and want to give everyone a chance to participate!

For each camp there is a minimum of 6 participants and a maximum of 10. If we do not have enough campers for a session, we will issue a full refund.

The camp fee includes all items needed to complete the project and instruction.

I hereby release, hold harmless, defend and indemnify Pottery By You! LLC, from any and all damages, injuries and causes of action which may accrue to or be asserted by me or any minor child of mine arising directly or indirectly of my minor child's participation in the Summer Camps at Pottery By You!
