FUNDRAISING IDEAS

Pottery By You would love to help with your next fundraiser! Since 2005 we have been committed to helping organizations in our community succeed.

There are many different ways we can help with your next fundraiser!

#1 Schedule a Pottery Painting Event at Pottery By You. Our fundraising events offer a unique, creative way to bring your group together for FUN and FUNdraising! Contact us and set your special day (Tuesdays-Thursdays) - you advertise your event - we donate 15% of our sales that day to your organization! Easy peasy.

#2 Sell Pottery By You Gift Certificates. Sell \$20 Pottery By You gift certificates and keep \$7 for your organization!

#3 Auction Items. We can create custom pieces for your next auction. These pieces can be completely painted by us OR we can help you get fun fingerprints, handprints and footprints and turn them into pieces of art you can auction off.

#4 Create a Tile Wall or Mural. Tile walls and murals make terrific public art projects and a creative way to leave a beautiful, memorable legacy for your school, campus, facility or place of worship. Pottery By You will sell your group tiles (price includes paints, glazing & firing) and help you with a pottery painting event. You sell the tiles to donors, school members, families and alumni at a markup of your choice. For example, we sell your group \$7 tiles - your group sells them for \$10-\$15 and keeps the \$3-\$8 profit! With a large group this can really add up!
